Speaker 1 ([00:01](#)):

Well, they know me around here as a White Boy Anthony, and I live four doors from the corner. And been around here since 1977. Watched a lot of people come and a lot of people go. The neighborhood right now is a better neighborhood because we got the shop. It's good for the older people, the elder people, and we got the 57 bus that comes up. They tried to take that from us, they gave that back to us, so our neighborhood is really holding up.

I sling laundry for a hospital. People be coming in there and they got blood or body fluids. I just do that. I live with my mother, take care of my mother. Got a girl on Garrison. Life is good.
